

WELCOME

The Country Club at Castle Pines is one of Colorado's premier golf clubs, featuring a Jack Nicklaus Signature designed golf course, within a unique mountain setting with unparalleled views and spectacular sunsets that provide "exceptional experiences" for our members and their guests.

We have provided this as a guide for those of you who are not familiar with our club. Please remember that all green fees, food and beverages must be paid for on your sponsoring member's account. Cash & Credit Card may be used in the Golf Shop for merchandise only. Please see below for our Club's policies.

DRESS CODE

Appropriate dress is required at ALL TIMES on the Golf Course, Practice Areas, and in the Clubhouse.

Men/Boys: All Men & Boys are required to wear collared shirts or mock turtlenecks and golf slacks or appropriate shorts. Golf performance hoodies are acceptable from brands like Peter Millar, Greyson Clothiers, Straight Down, Travis Mathew, Holderness & Bourne, etc. Athletic, sweatshirt or casual wear hoodies are not allowed.

Baggy or cargo shorts are not permitted. Shirts must be tucked inside slacks or shorts; golf hats and visors are to be worn with the bill forward at all times. Tank-tops, t-shirts, short shorts, swimwear, sweatpants, workout shorts, and jeans are NOT permitted.

Women/Girls: Appropriate length women's shorts, golf skirts, or skorts (Must be fingertip length or longer). Sleeved and sleeveless golf shirts must have a raised collar. Golf performance hoodies are acceptable from brands like Peter Millar, Greyson Clothiers, Travis Mathew, Straight Down, Holderness & Bourne, etc. Please see photos above for examples. Golf hats and visors are to be worn forward at all times. Tank-tops, short shorts, swim wear, sweatpants, workout shorts, and jeans are NOT permitted.

CELL PHONE POLICY

While visiting the Clubhouse, we ask that all Members & Guests refrain from speaking on cellular phones in the dining rooms. Please utilize the designated cell phone reception area located in the front entry hallway between the Men & Ladies restrooms. Text & email usage is permitted in the dining rooms.

ARRIVING AT THE CLUB

The Club asks its Members & their Guests to pull their vehicles up to the Bag Drop area located towards the end of the main drive to the Clubhouse. Here, a player services attendant will greet you and unload your clubs from your vehicle onto the golf cart.

The Country Club at Castle Pines has an excellent Locker Room & Staff that can assist you with temporary lockers during your visit to the Club. Please utilize the locker room to change into and out of your golf gear.

We ask that all Members & their Guests register in the Golf Shop prior to play.

PRACTICE/WARM-UP AREAS

Our practice facility features premium Titleist ProV1 practice balls throughout. You have access to a full driving range, short game area with two greens and multiple bunkers, a wedge tee with target greens from 30-100 yards, and a large putting green located just east of the first tee box.

TEE TIME

All players are required to be OFF the 1st Tee at or before their assigned Tee Time. If your Tee Time is 10:00 a.m., your group should have all played their tee shots and be driving down the fairway by 10:00 a.m.

PACE OF PLAY

At The Country Club at Castle Pines, it is expected that a 9-hole round take no more than 2 hours and 5 minutes. The total time to play an 18-hole round is expected to be 4 hours and 15 minutes or less. This includes the time it takes to drive up the hill from Hole 18.

Each golf cart is equipped with a GPS that tracks pace of play and provides yardages to the Front, Middle, & Center of the green. In the event that your group falls behind pace, the GPS will communicate your position on the course and ask you to catch up. A member of the Golf Professional staff will follow-up with your group if you are unable to catch up. Groups that are unable to remain on pace may be asked to skip a hole.

HAZARDOUS WEATHER

The Country Club at Castle Pines is located in an area of frequent lightning activity. The Club is equipped with a weather warning system for the safety of the Membership and their Guests. If the siren sounds one time, please take shelter immediately. Shelters can be found Hole #4, #8 (Halfway House), and #14. If you are in the area of the clubhouse, please return immediately. Two consecutive sounds of the siren mean the weather has passed and all is clear. Although the Club is equipped with a weather warning system, it is ultimately the responsibility of each golfer to be aware of changing weather conditions. If lightning is spotted and you have not heard the siren, all golfers should immediately take shelter. Frequently, lightning will develop above the course without warning.
