

### **Clubhouse Attire**

The Country Club at Castle Pines is where Colorado casual meets Country Club elegance. We have a diverse Membership with a broad range of age groups, tastes, and preferences. A major goal of the Club is to provide an environment that is welcoming and inclusive and encourages all Members, their families, and guests. We provide a range of social, gathering and dining choices for our members that recognize their diverse preferences. The Clubhouse Dress Code is designed to recognize this range of choices. Members are responsible for ensuring that Family Members, including children and Guests comply with the Dress Code.
